

Raja Ravi Teja Madagala

Senior Construction Estimator | Commercial Manager | Preconstruction Lead

☐ 0432 250 430 ☐ rajaravitejamadagala@gmail.com ☐ QLD, Australia ☐ rajartm.github.io

PROFESSIONAL SUMMARY

Senior Construction Estimator with 8 years delivering cost-competitive tenders and commercial strategy across government, education, and tourism sectors - on projects up to \$20M. Recognized for bridging the gap between estimating and delivery: translating risk-adjusted cost models into executable project outcomes.

Track record includes leading Early Contractor Involvement (ECI) engagements, D&C scope development from engineering briefs, and value management that has delivered proposals under client budget targets. Now targeting commercial leadership roles - Commercial Manager, Preconstruction Manager, or Senior Estimator - where estimating expertise and project delivery insight operate together.

KEY ACHIEVEMENTS

- Delivered \$9M ECI proposal for Gladstone Amateur Basketball Association under intended budget through value management and early trade engagement
- Built risk-adjusted cost model for remote island project (Great Keppel Island, \$8M) - addressing marine logistics, staging constraints, and trade scarcity to reduce cost variance by 5–8%
- Developed full D&C scope from engineering brief for Yeppoon SHS Block D Rectification (\$1.3M) - a zero-documentation start requiring first-principles estimation
- Managed RFQ processes across 15–30+ subcontractors per project, consistently improving bid competitiveness and subcontractor pricing by up to 5%
- Supported post-award transitions ensuring alignment between tendered pricing and project execution across \$500K–\$20M commercial and government builds

KEY PROJECTS SECURED

Gladstone Amateur Basketball Assoc.	\$9M	ECI - Value management, proposal delivered under budget
Great Keppel Island – Arrivals Plaza	\$8M	D&C - Remote logistics, risk-adjusted cost model
Yeppoon SHS – Block D Rectification	\$1.3M	D&C - Full scope from engineering brief
Yeppoon State School – Block B	\$1.7M	Subcontractor packaging through to tender award
North Rockhampton SHS – Block K	\$750K	Trade-level estimates, structural & roofing works

PROFESSIONAL EXPERIENCE

Senior Construction Estimator · Paynters Pty Ltd	Nov 2024 – Present QLD
- Lead end-to-end cost planning and tendering for projects up to \$20M across education, government, and tourism sectors - Delivered ECI engagement for \$9M indoor sports complex — managed value engineering process to bring proposal within client budget - Developed complete D&C scopes from engineering briefs with minimal documentation, including structural rectification and refurbishment works - Managed subcontractor procurement across 15–30+ trades per project: RFQs, scope validation, pricing comparisons, and award recommendations - Identified and implemented value engineering solutions reducing project costs without scope or compliance compromise - Collaborated directly with delivery teams at award stage to ensure pricing assumptions translated cleanly into execution	

Construction Estimator · Johns Lyng Group	Nov 2023 – Nov 2024 QLD
--	---------------------------

- Delivered competitive tenders for QBuild government works and commercial projects - full quantity take-off through to submission
- Produced accurate take-offs from IFC drawings and specifications across structural, architectural, and services trades
- Managed subcontractor engagement, scope alignment, and multi-trade pricing comparisons to sharpen bid competitiveness
- Prepared complete tender packages including methodology, programs, and compliance documentation
- Supported post-award procurement and coordination handover to delivery teams

Estimator · Builders **Discount Warehouse**

May 2020 – Nov 2023 | QLD

- Delivered detailed estimates for residential and commercial fit-out projects - kitchens, cabinetry, and interior packages
- Managed multi-unit builder projects from initial pricing through to project completion and final account
- Negotiated supplier pricing and identified cost-saving alternatives to maintain margins on competitive bids

Construction Cadet · Accord **Partners Australia**

Jun 2018 – May 2020 | VIC

- Supported site supervision, cost analysis, tender comparisons, and contractor coordination across live projects

Junior Architect · **SIDE A (Studio I Deal Architecture)**

May 2017 – Jun 2018 | India

- Prepared design drawings and bills of quantities; conducted site inspections and stakeholder coordination

CORE CAPABILITIES

- | | | |
|--------------------------------------|-----------------------------|---------------------------------|
| – Cost Planning & Estimation | – Value Engineering | – Commercial Analysis |
| – Tender & Bid Management | – Subcontractor Procurement | – Risk & Opportunity Assessment |
| – Early Contractor Involvement (ECI) | – D&C Scope Development | – Contract Administration |

TOOLS & SOFTWARE

EstimateOne · CostX · Planswift · Bluebeam Revu · BuilderTrend · MS Project · MS Excel · AutoCAD · Revit · Navisworks

EDUCATION

Master of Construction Management
Bachelor of Architecture

Deakin University
SPA New Delhi

CERTIFICATIONS

White Card (Construction Induction) · CM - Project Delivery Methods · CM - Construction Planning & Scheduling
